

2021 SUMMER PROGRAM GUIDELINES

Please note: All phases are tentative & subject to change based on Vermont State and CDC Guidelines.

PHASE 4 - EFFECTIVE MAY 1, 2021

- Masks and 10-ft physical distancing required at all times during programming.
- Daily Health Screening, including temperature checks, vaccination record or negative test results for non-vaccinated athletes & companions.
- Companions from same household must provide all required close contact assistance - fitting equipment & clothing, riding lifts, riding equipment, & physical help.
- Frequent sanitizing of equipment & sanitizer readily available.
- Updated Athlete Profile plus Waivers. Athletes must meet Phase 2/3/4/5 Essential Eligibility Criteria.
- Must meet and attest to Vermont State Travel Guidelines.
- Universal Guidance is required.

PHASE 5 - EXPECTED AROUND JUNE 1, 2021

- All guidelines from Phase 4 except:
 - No quarantine or testing requirements, however athletes & companions must continue to complete the Daily Health Screening.
 - Updated Athlete Profile plus Waivers. Athletes must meet Phase 2/3/4/5 Essential Eligibility Criteria.
 - Vaccination status doesn't effect any guidelines.
 - Universal Guidance is required.

PHASE 6- EXPECTED AROUND JULY 4, 2021

- Masks required and physical distancing recommended at all times during programming.
- No quarantine or testing requirements however athletes & companions must continue to complete the Daily Health Screening.
- No restrictions on number of people or households on a lesson or outing or indoor capacity.
- Updated Athlete Profile plus Waivers. Athletes must meet Phase 6 Essential Eligibility Criteria.
- VACCINATED instructors & athletes may be in close contact and ride lifts & tandem equipment together.
- Anyone UNVACCINATED will continue to adhere to the 10-ft. physical distancing guidelines & must provide companions for assistance.
- Universal Guidance is encouraged.
