NEW SPACE HERE

Vermont Adaptive's New Adaptive Sports Facility at Sugarbush's Mt. Ellen

Help us reach our \$2.5 million goal to complete Phase 2 of our Permanent Homes Campaign Vermont Adaptive's future in the Mad River Valley at Sugarbush Resort

IF THERE IS ONE THING THAT 2020 TAUGHT US, IT IS THAT WE NEED A NEW, FULLY ADAPTIVE SPORTS FACILITY AT MT. ELLEN AT SUGARBUSH NOW MORE THAN EVER.

We are bursting at the seams in our existing 400 sq. ft. space in the base lodge, and the Coronavirus Pandemic created more restrictions on our already limited space. This new hub will improve the quality and experience of our programs and events for all of our participants, families, volunteers, staff, guests, and community in the Greater Mad River Valley.

Vermont Adaptive's Second Flagship, a four-season adaptive sports facility in Vermont, will allow us to serve more people, more often, and in more places in Central Vermont. A New Home for Every BODY at Sugarbush's Mt. Ellen.

Room to Breathe. More Adventures. Serving More Athletes Year-Round.

- “Access for All” Elevator for three floors at Mt. Ellen at Sugarbush.
- Common space for partner needs.
- Year-round storage for our fleet of state-of-the-art adaptive equipment.
- Bag and gear storage space for staff, volunteers and guests.
- Connecting pathways to existing and new spaces – connection to Sugarbush's main base lodge level for food, the fireplace, seating, and retail.
- Accessible entryways and exits for hitting the slopes.
- Dedicated space for program check-in, accessible restrooms, program space, personal storage and changing space, volunteer break room, educational lending library, and more.
- Specially-designed soundproof sensory room for those who need a comfortable retreat away from noise and over-stimulation.
- Multi-purpose space for classroom activities, retreats, yoga workshops, wellness camps, and other holistic activities.
- Workshop for maintaining our fleet of equipment.

GIVING & NAMING OPPORTUNITIES

Gifts of all sizes are needed for Vermont Adaptive's new facility, including gifts in-kind of services and materials or building endowment funds. Special recognition is available if you are interested in naming opportunities in your family's name, to honor an individual or recognize a corporation.

BURLINGTON UPDATE WE'RE JUST GETTING STARTED!

PHASE 3 – VERMONT ADAPTIVE ON LAKE CHAMPLAIN.

The new Permanent Home in Burlington will be Vermont Adaptive's year-round home for adaptive sport programs in the northern part of the state. Approximately 2,000 square feet of total space is needed to meet current demand.

What's Needed in the New Location/Building

- Immediate access to the Burlington Bike Path and the Waterfront
- Parking and accessible bathrooms
- Space that is warm and efficient in the winter while being convertible to inside/outside space to welcome a bigger audience in the summer would be ideal
- To be located near and around other programs, increasing the social and recreational contact between people with disabilities and the able-bodied.

We have many options and are looking at various locations for our permanent home on the Burlington Waterfront. Our hope is to combine our resources with those like the Burlington Parks, Rec and Waterfront, to redevelop the site at Perkins Pier into a multi-use, universally accessible site for Every BODY to enjoy.
